

SureColor™ SC-T3100X

# Small footprint, big impact

Whether this is your first investment in a large format printer or an expansion of your current print and reproduction facilities, look no further than the Epson SureColor SC-T3100x.

Designed for those who need a robust professional-level poster printer without a significant total cost of ownership, the SC-T3100x guarantees exceptional print performance and productivity.

## Productivity

**Increase your productivity** and reduce downtime with the SC-T3100x's refillable ink solution.

**Quickly refill** the cartridge-free printer's high-capacity 4-colour ink tank via four 140ml ink bottles – even during operation.

**Print quickly** with speeds that produce accurate A1-size prints in 34 seconds.

## Convenience

**Benefit from a compact design** with the 24" printer that offers the smallest footprint in its class.

**Experience hassle-free printing** thanks to a suite of intuitive apps and user-friendly features.

**Print from virtually anywhere** with full connectivity including USB, ethernet, integrated wireless and Wi-Fi.

## Affordability

**Enjoy an impressive total cost of ownership** with high-volume printing and low running costs.

## Reliability

**Ensure commercial-grade reliability** thanks to the PrecisionCore MicroTFP printhead and unique Nozzle Verification Technology (NVT).

## Quality

**Achieve consistently outstanding clarity;** print point-of-sale material, in-store graphics and more at up to 2400 x 1200 dpi.

## Flexibility

**Print a variety of formats,** including rolls of up to 24-inches and A4/A3 sheets, through the Auto Sheet Feeder with auto switch, as well as cut-sheet papers up to A1 (24").

**EPSON®**  
EXCEED YOUR VISION

Model		SC-T3100x
Ink	Ink	Dye: CMY Pigment: Bk
	Cartridge size	CMY, Bk 140ml
Speed	Throughput (sec)	34
